

News from 7-1

November 29

Upcoming Events:

- December 2 - No School
- December 3 - Term 2 starts
- December 4 - Pajama Day
- December 11 - Winter Band Concert
- December 19 - Santa Swing Dance
- December 20 - Class celebration

Notes from the teacher:

Our Science centre field trip was a huge success! The students were very well behaved and excellent participants during our workshops.

Our class has really come together over the past few months, becoming a compassionate and cohesive group. Students are learning how to rise to the challenges of grade 7 quite well. We will be in homeroom all day on December 20, as it is the last day of classes. Our class rep, Mrs. Mura, will be arranging some volunteers for snacks & treats for the class.

What we worked on this week:

Language Arts

- Figurative language
- Independent novel projects

Math

- Fractions
- Changing among fractions, decimals & percents

Science

- Topics 1, 2, 3
- Particle Model

Social Studies

- Thirteen Colonies & New France
- New France movie project
