Re: Out of Area Applications for Grade 9, 2018-2019

Dear Parents and Guardians,

We have had a number of questions from families who reside “out of attendance area”, yet wish to have their children attend Springbank Community High School for the 2018-2019 school year.

If you would like your child to be considered for registration at Springbank Community High School, you are asked to complete the enclosed OUT OF ATTENDANCE AREA APPLICATION and return it to the school office at the Middle School as soon as possible. If your child’s designated school is a Rocky View School, you must have section B of the form completed by the principal of that school. If your child’s designated school is outside of Rocky View Schools jurisdiction, you do not need to have the designated principal sign the form.

Please be aware that completion of the attached form does not constitute registration and that acceptance is based on the availability of room and resources to support all learners. Decisions regarding acceptance of out of area students will be made beginning in May, but may extend into the summer months. As such, it would be prudent to have alternative plans for what school your child will be attending next year in the event that your application is denied.

If accepted to Springbank Community High School there is no need to apply as an out of area student in subsequent years (grades 10 – 12) unless there is a change in residence OR if you wish to switch from Global Academy to the regular high school program.

Thank you for completing the form and returning it to the school promptly.

Sincerely,

Darrell Lonsberry  
Principal, Springbank Middle School
