Dear Parents:

As a school community, we are always looking at methods to improve the way we do business here at Springbank Middle School. One area on which we continue to focus is communication. In the name of conservation, we have been posting our newsletters online on our website and at the request of the School Council, we send newsletters home, electronically to our parent community.

If you would be interested in receiving school information electronically, specifically, our monthly newsletter and any other pertinent school, School Council and school division information, please provide the information as requested below.

Please complete this form and return it to the school by no later than **Friday, September 6th 2013**. If you have any further suggestions as to how we can continue to improve our school – home communication, please feel free to email me with suggestions at dhoch@rockyview.ab.ca.

Thank you for your attention to this matter.

Sincerely,

Dan Hoch
Principal
