WHAT'S GOING ON AT SMS?

This week's feature:

Leadership

Here at Springbank Middle School we want students to understand the important role Leadership plays in school, communities, and everyday life. We encourage students to ask, "How can I use my own strengths to be a leader?" "What are the needs, and how can I improve my community?" We strive to give students an opportunity to explore and enhance their leadership skills in a hands-on approach.

During the last week our Leadership class has been very busy. They were instrumental in putting together our Remembrance Day video. As presenters, they helped deliver the message on the importance of observing Remembrance Day each year. We hope you were able to join us in watching our virtual Remembrance Day ceremony. If not, it's still available to view at the following link:

Leadership students were also busy helping collect, sort and count the numerous food items sent in by our wonderful Springbank families. The Veterans Food Bank of Calgary is a service provided by CALGARY VETERANS SERVICES SOCIETY, founded in August 2018, to serve food security and other resource needs of veterans from Calgary and surrounding area. The Veterans Food Bank of Calgary supports veterans who've served in all branches of the Canadian Armed Forces, Reserves and first responders. All are eligible for assistance through these programs.

We want to sincerely thank all the families who donated. We collected a total of 2016 items! Ms. Coffin's 8.3 class was our top collector with 407 items!

Finally, on November 26th, grade 7 and 8 SMS students are invited to attend the Horizons Leadership Conference. This event is open to students enrolled in the Leadership options, however, there will also be a limited number of spots available for other grade 7 and 8 students. This is a virtual event hosted by the Canadian Student Leadership Association. The goal of the conference is to provide participants with motivation, inspiration, and information to make their school a better place to live and learn. Keynote speakers will be Cody Deaner, Levi Stanford, and Lauren White.

FRIENDS OF SPRINGBANK MIDDLE SCHOOL SOCIETY (FOSMSS)

Springbank Middle School has been awarded a casino in the early part of 2021. In the past, casinos have raised up to \$60,000 for our school and students. We will be sending out a sign-up to recruit volunteers as soon as we have the dates finalized. It's imperative we have enough volunteers to run the casino to continue to be on the list of eligible participants.
