

News

Welcome Back!

We are excited to welcome students back to school! We will begin with approximately 1/3 of our student body attending for each of the first three days - see below for staggered entry dates. This will enable us to work with smaller groups to go through the protocols that will be in place.

You will receive an email from the classroom teacher before school starts. This email will inform you about the entry/exit door and the homeroom classroom details for your child. At beginning and end of day, teachers will be outside of the school with students until routines are established.

Student drop-off will be on the sidewalk outside the school and in the regular parking lot at SMS (or Elbow Valley if you have children in both schools). Staff will be meeting students outside and walking them in and out of the building to maintain social distancing. As staff will be present outside please drop and leave students to reduce the crowding in those areas.

If your child is enrolled in the on-line learning platform, she/he will remain as a student at Springbank Middle and will be eligible to attend extra-curricular sports practises.

For health and safety reasons, volunteers and visitors to the school will be restricted. We welcome our parents and families to feel free to contact teachers or administration for a call or an online appointment.

We hope to be flexible, adaptable and focused on keeping one another as safe as possible while at the same time creating and maintaining the rich learning opportunities at Springbank Middle. To achieve this goal it will take the efforts of all of our students, parents and staff. We're in this together!

We will continue to update you as the week progresses and as we confirm lists of students and staff moving to online and home-school learning. We appreciate your patience and understanding.

Important Dates:

Staggered entry:

Sept. 2 - Surnames beginning with A-G

Sept. 3 - Surnames beginning with H-M

Sept. 4 - Surnames beginning with N-Z

Sept. 8 - Everyone attends

Daily Health Checklist:

Please go through this checklist (at home) before going to school/boarding the bus - an important preventative measure to protect our students and staff from COVID. We are all responsible for stopping the spread and mitigating risk in our schools. This is to be kept at home for your private use.
