We are a group of volunteers which values French as an integral part of Canada.

CPF Springbank supports students studying French, their parents, and their teachers in our schools.

We support by sponsoring French cultural events and updating French resources. We hold a yearly fundraiser and volunteer to support these events.

We offer support to Parents who need more information about French Language Learning.

New members and renewals are always welcome: A yearly family membership is only \$25 or \$60 for three years. Sign up online or print off the pdf membership form in the Canadian Parents for French section of the school website.
