What's Going On at SMS?

Our Custodial Staff

We want to take this opportunity to acknowledge and thank our amazing custodial staff! They work behind the scenes to keep our school maintained, clean, and safe. In addition to cleaning throughout the day, they work with Rocky View staff to ensure all our mechanical, heating, and water systems are working properly. Some are here very early in the morning and others work late at night. Winter mornings, regardless of the temperature, you'll often find one or more of them outside shovelling snow or chopping ice. They're always willing to lend a hand whenever needed. We are so grateful for the tireless work of Maximo (Head Building Operator), Ben, Bill, Anthony, and Leilani.
